SR PLUS CHEMICAL SUPPLIER

Material Safety Data Sheet

Revised Date: 26/02/2026

Option-1: Product Information

Product Identification : C Water
Company Name : SR PLUS CHEMICAL SUPPLIER
Company Address : Khan Super Market, Majar Road (West Of BRTC Training Center) Moymenshing Road, Joydebpur, Gazipur.
Emergency Phone No. : 01732 438591, 01674 893166, 01711 902495
E-mail : srpluschemicals@gmail.com
Web : www.srpluschemicalsbd.com

Option -2: Ingredients

CAS No.

1. Methanol	(625-63-9)
2. Par Clothing	(638-53-3)
3. Acetone	(69-63.5)

Option-3: Stability & Reactivity Data

Stability Indicator : Yes
Stability Duration : At least for 2 years
Materials to avoid : Rubber
Stability Condition to avoid : Not applicable
Hazardous Polymerization Indicator : Not applicable

Option - 4: Hazards Identification

Health Hazard acute & chronic	: Not applicable
Sings symptoms of overexposure	: It may cause irrupting sensation to eyes
Medical Conditions Aggravated by Exposure:	Not applicable
Inhibition	: Not applicable
Ingestion	: Not applicable

Option - 5: First Aid Measure

In case of contact with eyes immediately rinse eyes with plenty of water for least 15 min
See a doctor as soon as possible.

Option - 6: Fire Fighting Measure

1. Should be kept away from fire.
2. Fire extinguisher is used when needed.

Option - 7: Ecological & Toxicological Information

Toxicological Information	: Not Applicable.
Ecological Information	: Not Applicable

Option - 8: Exposure Control & Personal Protection

Respiratory Protection	: Self-contained breathing Apparatus.
Ventilation	: Local Exhaust & Mechanical.
Eyes Protection	: Face shield may be used.
Other Protective Equipment	: Approved working clothes.
Work Hygienic Practice	: Not Applicable.

Option - 9: Handling & Storage

The plastic cans and packaging cartons are supplied from industries. After filling and capping the bottles, they are labeled then the bottles are sent for packaging paper cartons are used for packaging. Each carton contains 18 bottles.

Then the cartons are kept one upon another in the store room. The temperature of the store room should less than 35₀c.

Option - 10:Warning

C water not hazards. But sometimes Precautions should be taken during its use:

1. Should be kept be kept away from fire.
2. Should be kept out of the reach of children.
3. It should not used where there is no air light ciculation.
