SR PLUS CHEMICAL SUPPLIER

Material Safety Data Sheet

Revised Date: 26/02/2026

Option-1: Product Information

Product Identification : T. S. R
Company Name : SR PLUS CHEMICAL SUPPLIER
Company Address : Khan Super Market, Major Road (West Of BRTC Training Center) Moymenshing Road, Joydebpur, Gazipur.
Emergency Phone No. : 01732 438591, 01674 893166, 01711 902495
E-mail : srpluschemicals@gmail.com
Web : www.srpluschemicalsbd.com

Option -2: Ingredients

CAS No.

- | | |
|-------------------------|------------|
| 1. Organic solvent | (564-56-5) |
| 2. Mild bleaching agent | (465-53-1) |
| 3. D.M. water | (649-88-9) |
| 4. Naturalizing agent | (346-85-4) |

Option-3: Stability & Reactivity Data

Stability Indicator : Yes, it is stable
Stability Time : Less than 2 years
Materials to avoid : No. Specification
Stability Condition to avoid : Not applicable
Hazardous Polymerization : Not applicable

Option - 4: Hazards Identification

Health Hazard acute & chronic	: Not applicable
Sings symptoms of overexposure	: Sometimes irritating to skin
Inhibition	: It has odor. Son not suitable for inhalation.
Ingestion	: Not applicable

Option - 5: First Aid Measure

If inhaled removed to fresh air. It not breathing Give artificial respiration. If it becomes contact with eyes are skin, flush plenty of water for at least 15 min.

Option - 6: Fire Fighting Measure

It is not flammable

Fire Fighting Measure : Not applicable.

Option - 7: Exposure Control & Presentation

Respiratory Protection	: Self-contained breathing Apparatus.
Ventilation	: Local Exhaust & Mechanical.
Eyes Protection	: Face shield is not essential.
Other Protective Equipment	: Approved working clothes.

Option - 8: Exposure Control & Presentation

The plastic and packages are supplied from industries. After filling and capping the bottles, they are labeled. Then the bottles are packed in a carton. Each carton contains 12 bottles. Then the cartons are send to the store room. Their the are kept one upon another the temperature of the store room should be kept less than 40_oc.

Option - 9: Stability and reactive

Stability: Stable under normal temperatures and pressures.

Condition to avoid : Avoid all possible sources of ignition (spark or flame)

Incompatibility with various: Reactive or incompatible with the following materials
oxaterials.

Option - 10:Warning

T.S.R is very effective to remove turmeric spots. But it is applicable only for white fabric. Do not use T.S.R on the coloured fabrics.
